SUTTON CHILDREN EXPERIENCE ELEGANT SIMPLICITY OF PAST AND PRESENT

Perfect Autumn days are rare, even in New England, but Wednesday, October 15th was such a day; seasonal temperatures, a slight nip in the air, a gentle breeze, a panorama of rich colors intensifying the beauty of the landscape. Such was the picturesque setting for six youngsters from the Sparks Group, the Kindergarten section of Campfire, who came to the home of Mrs. Leona Dona of Sibley Road in Sutton to learn about nature and to discover the rich history surrounding her home.

There are few remaining homesteads in New England that capture and retain the beauty and spirit of our forefathers; but the 63 acre farm and 255 year old home where Leona Dona came as a bride 54 years ago, is such a place. Driving along the quiet, winding country road and seeing the 1731 farmhouse nestled among the trees, and the imposing red barn staunchly facing it across the road, one is transported back in time. Untouched by modern architecture, Mrs. Dona's homestead is a tribute to an era long past and to a people whose simple way of life characterized the New England farm family.

It was in this idyllic setting that Mrs. Dona graciously became historian, grandmother, and naturalist to Reagan Karacius, Jessica Soboleski, Molly Johnson, Ellen Baker, Thomas Joseph Campbell and Alex Hebert.

For Mrs. Dona, the opportunity to share her deep love of nature and her commitment to preserving the treasures of the past was a privilege and not a chore. This was evident in her eager anticipation to begin her journey with the children and to walk with them over the same land that had been granted to Freegrace Marble by King George III in the 1700's.

Mrs. Dona began her tour by showing the children a mortar and pestle, almost hidden in underbrush, which had been used by the Indians to grind their corn. As the walk continued, the group meandered slowly down the picturesque winding country road enveloped on both sides by breathtakingly beautiful trees resplendent in their autumn

MILLBURY VOT[illegible]ECIDE ON BY–LAW[illegible]GES

Approximately 120 voters met at the October 21 Special Town Meeting to act on the thirty-one article Warrant. Most of the discussion centered around Articles 2 through 7 which addressed concerns of citizens groups. Article 2 sought a zoning change for a portion of Providence Rd. from "Industrial I to a "Business 2" and "Suburban 2" District. Both the Finance Committee and the Planning Board recommended acceptance of this Article.

Speaking in favor of the Article were Steven Stearns of Thomas Hill Rd. and Carol Perry of Grafton St., members of the Millbury Awareness Group, sponsors of the Article. They explained that the purpose of the change was to allow for businesses to locate in that area while preventing industrial development or expansion from occurring in a thickly settled area. According to Mrs. Perry, "I believe that by giving a yes vote to this article we will leave a legacy for future Millbury generations, that we cared enough for them to plan now for the most beneficial and proper growth to their town."

Speaking in opposition to the Article were Selectmen Roland Lachance and Wynton Adams. Lachance stated, "I have a problem with their concerns. They see this as a way to circumvent further expansion." He further argued, "I can't see changing an area so someone can buy that strip and build houses." Adams stated, "No question we have a group of citizens who have a serious problem. I am opposed to changing our by-laws to address a concern that is identified with one business." He went on to state, "This odor should have been stopped a long time ago. This is not the type of approach we should be taking."

The Article was passed 79 in favor and 35 opposed.

Article 3 sought to amend the wording of Article 3 of the Zoning By-law, which deals with disturbances by "sound, noise, vibration, odor, or flashing". Mrs. Perry explained that this change would return the by-law to its enforceable wording. It was recommended by the Finance Committee and the Planning Board, and was passed unanimously.

Article 4 sought to increase the fine for violating Article 3 from $100 to $300. The Article was passed unanimously.

Article 5 sought several amendments to the zoning by-law, among them, specifically classifying what would not be permitted in an Industrial I zone, setting height restrictions, and establishing a larger buffer zone between Industrial and Suburban zones. Both the Finance Committee and the Planning Board recommended favorable action. Joseph Bianculli of Hilltop Drive, a member of Citizens for a Safe and Clean Millbury, proponents of the Article, spoke in favor, stating, "We need good industrial neighbors." Selectman Adams, expressing surprise at the recommendation of the Planning Board, spoke in opposition. Adams stated that the recommended buffer zone would discourage light industry. He further argued that the 40 foot height restriction could actually prevent companies from installing pollution control devices.

Bianculli explained that the changes would clarify existing laws and protect homeowners from having companies placed too close to residential property. Martha Campolito of Hilltop Drive, another member of Citizens for a Safe and Clean Millbury, stated, "It's about time that we came first. If they (potential developers) want to come into our town, let them apply for a variance, and if they're clean, we'll vote them in." William Dodge, Grafton St. resident, stated, "It's about time the residents get heard. It's about time we have our rights too."

Article 5 was defeated 77 to 44.

Article 6, which was passed after some discussion, established a quorum of 100 registered voters for a Town Meeting.

Article 7, which would have established sweeping controls on the operation of the Resource Recovery Facility, was postponed. The Finance Committee sought postponement because they had been unable to obtain a legal opinion on the Article prior to the Town Meeting.

Speaking in opposition to indefinite postponement were Joseph Bianculli and Martha Campolito, proponents of the Article. Among those speaking in favor of indefinite

HIGH SCHOOL DIALOGUE

By Roger Desrosiers

ART DEPARTMENT SPONSORS
LITHUANIAN EXHIBIT

Mrs. Cross, Art teacher at the High School, wishes to announce that Lithuanian artifacts and costumes are being displayed at Millbury High School through November 6. This exhibit may be seen during school hours.

A variety of amber jewelry, Lithuanian crosses and painted Easter eggs may be found. In the Library there is an exciting display of Lithuanian skirts, scarfs and costumes. There is also a small collection of paintings which are covered with sequins and jewels done by Karolina Danek.

The items were donated by Linda R. Swenson, head of the Reading Department at the Raymond E. Shaw Middle School, Irene Tomuledvitch, who has traveled to Lithuania and is involved with Lithuanian cultural awareness, and Karolina Danek, an artist who paints historical paintings.

The display is to commemorate the 600 year anniversary of the introduction of Christianity into Lithuania. This is quite an impressive exhibit and we hope that many of you will feel free to come and see it.

SENIOR CLASS SPONSORS
HALLOWEEN PARTY

The Class of 1987 is sponsoring a Halloween Party for children under twelve on Tuesday, October 28 in the High School cafeteria. The party will begin at 6:30 and end at 8:00. Admission is $1.00. There will be a haunted house, a costume parade, bobbing for apples, and more. Refreshments will be served and there will be lots of fun and prizes. Some of the Seniors serving on this Committee are: Kathy Joe Bruno, Bryan Buteau, Kristen Clark, Kelly Cormier, Kim Decatur, Lori Dion, Gina Gagliardi, Tammie Johnson, Michele Marra, Vicki Monte, Jennifer Pearson, and Ellen Ward.

On Friday, October 31, Halloween itself, the Senior Class will dress in costume as has been the custom the last several years. Each Senior in costume will solicit small change during homeroom period and in between periods. The money collected helps defray the cost of the Halloween Party.

Recently, the Senior Class held their class elections. The Class Officers are as follows: President, Erica Niddrie; Vice-President, Lynne Picard; Treasurer, Jim Tuttle; Secretary, Michele Marra. The Class Advisors are Mr. Scott Healey and Mr. Gary Robinson.

SMALL ENGINES REPAIRED

The Industrial Arts Department's Small Engine class conducted by Mr. Jay Hanratty would like to provide the community a service which in turn will provide our students with practical experience. If anyone would like to have lawn mowers, outboard motors, snow blowers or other small power equipment repaired or tuned up, they can make arrangements with Mr. Hanratty at the High School (865-5841). Please call before bringing any machinery to the School. When arrangements are made they will be on a first call, first serve basis. Please note: NO chain saws will be serviced.

VOICE OF DEMOCRACY

Every year during the month of October, students in grades 10, 11 and 12 are eligible to participate in a national competition called Voice of Democracy. This essay contest is sponsored by the local VFW's and Ladies' Auxiliaries. Topics involve citizenship and patriotism. This year's theme is The Challenge of American Citizenship. The first step in this competition is to write a

MILLBURY SELECTMEN'S MEETING DIGEST

By Edward J. Cooney

OCTOBER 14, 1986

- Sergeant Lincoln Barton presented the Selectmen with a recommendation to award the Dispatch Company of Grafton a contract to buy a personal computer system manufactured by Monroe Inc. The Board then discussed, with Sgt. Barton, the differences and options available from I.B.M., Digital and Wang, as compared to Monroe Inc.

Sgt. Barton indicated that Monroe offered the type of personal computer, hard discs, software, service and system that would be maintained for at least ten years. He stated that Monroe was the only company which had made a serious effort to inform and assist the Department in developing a viable computer system choice. On a motion by Jude Cristo, the Board voted unanimously to accept the low bid of $12,923 which includes a $4,745 computer aid dispatch.

Selectman John Donnelly stated that he voted with the Board but was not happy with the decision. He expressed his concerns of adopting a system from a company about whom little appears to be known. He noted that he had never heard of Monroe, Inc.

- At 7:30 p.m., Chairman Wynton Adams requested a motion to move from the table an application transfer from Astra Restaurant to the New China Garden Restaurant, to be managed by a Ms. Sau. The Board unanimously voted to remove the item from the table for discussion. Mr. Murphy, representing the New China Garden Restaurant, submitted a copy of the naturalization papers which were approved and documented, attesting to the citizenship of Ms. Sau. Ms. Sau is a 50% shareholder in the restaurant.

Mr. Donnelly asked for further information regarding the restaurant. Mr. Murphy stated that because of a language problem, there might be some difficulty in communication. Ms. Sau answered that it would be of Chinese cuisine. In addition, there will be no exterior renovations. Mr. Murphy indicated that the interior would be changed to a Chinese motif. Chairman Adams asked if the bar would be the same and was informed that the only changes anticipated would be cosmetic.

Mr. Donnelly asked Ms. Sau if she is related to the other 50% shareholder and she stated that they were good friends. He then questioned Ms. Sau on her role in the business and was told that she would be the bookkeeper and one of the waitresses.

Mr. Donnelly stated that since the liquor license would be in her name she should be on the property a great deal during operating hours. Chairman Adams noted that a pouring license must be monitored closely. "The Board will watch closely and will not tolerate any infraction of the law. We will issue penalties if any violations occur." Mr. Adams continued, "It is a privilege to have it. You must see to it that it is run properly." The Board voted unanimously to approve the license transfer.

- Under Old Business, Chairman Adams noted that communities that have signed contracts with Signal Resco will go to court if they are financially impacted by the enactment of certain Town Meeting Articles concerning By-laws. Mr. Adams suggested that if there was any impact on the operation of the Resource Recovery plant the town could anticipate legal action by the operators and by the D.E.Q.E.

"Proponents are opening up the Town to potentially large litigation losses," said Mr. Adams. He also indicated that he had not heard form Town Counsel but expected to hear Thursday.

- Under the Dorothy Pond Restoration Committee agenda item, Mr. Adams indicated that he had been visited by Hy Sclar, a member of the Committee. Mr. Sclar stated that Jeff Gardner had proceeded with all work done on the bidding process without the full Committee's involvement. Mr. Adams suggested that a copy of the proposal be reviewed by the entire Committee. "They have a need to know the timetable for the work to be done. We should forward it to the group."

Selectman Jude Cristo noted that the Dorothy Pond Restoration Committee should reorganize and proceed as an Advisory Committee.

A brief discussion ensued concerning lowering Dorothy Pond by five feet so residents might clean up beaches and fix retaining walls. Mr. Adams suggested that Buck Brothers be notified that there is no one available to be responsible for drawing down the water level.

- Administrator Earl Chase informed the Board that he had received two calls concerning the intentions of the Selectmen with regard to the Providence St. School. The callers appeared to show interest for a residential type of use for the existing building. Mr. Cristo noted that with a depressed real estate market, it might be appropriate to wait.

- Mr. Chase then informed the Board that a trailer truck load of contaminated parking lot and sub-surface material was taken from Lewcott Chemical and removed to a hazardous waste disposal site; supposedly it was caused by a spill of resins that hardened on the asphalt surface. Mr. Chase stated that no specific chemical was identified. (In a phone interview with John Kronopolus of the DEQE, Mr. Kronopolus stated that he discovered the area in question during an inspection of the Lewcott facility. He stated that Lewcott had stored materials in the back of the building and that, through the years, some resin had spilled over onto the ground, forming a tar-like base. He also stated that Lewcott informed him that it was something they had planned to clean up in the future. Soil samples were taken by the DEQE and, according to Mr. Kronopolus, preliminary testing showed, "a couple of areas of concern." He went on to state that while the results did show some contamination, the levels were not high. Mr. Kronopolus noted that further testing on the soil is currently underway.)

In other business, the Board:

1. Approved a street opening for water service at 59B Carousel Drive.

2. Tabled a request from Amorello Construction for a street opening to solve drainage problems at Smith Nursing Home.

3. Met with Building Inspector, Rene Morin, concerning space availability on the third floor of the Asa Waters House for use by the District Nursing Society.

Mr. Morin stated that he did inspect the rooms and suggested that they would be usable as long as files were stacked along the walls to carry the weight. The rooms can be used for offices but not for assembly or use by the public.

4. Mr. Morin informed the Board that the Finance Committee had not approved his request for funds for an answering service. He indicated that he receives many calls regarding inspections and other department business. "The Finance Committee rejected my request for a new telephone line because it might set a precedent," he said.

Selectmen Donald Gauthier indicated that there was a problem of communication. He noted that when Mr. Morin approached the Selectmen he had requested an answering machine. However, when he approached the Finance Committee the request was for a new telephone line to his home.

Mr. Morin explained that when he found out that he could not connect an answering machine to a two party line, he made the other request. The Board voted to send a letter of support for his request to the Finance Committee.

5. Approved a request from Mass. Water Works for the replacement of two fire hydrants.

6. Selectman Gauthier informed the Board that he would serve as a member of the Resource Recovery Advisory Committee.

SCHOOL COMMITTEE MINUTES

By Edward J. Cooney

OCTOBER 15, 1986

- Item one on the agenda concerned review and approval of the minutes of the October 1, 1986 meeting. Mrs. Cooney asked for the following corrections to the minutes:

1. The word "review" be inserted in place of "reconsideration".

2. On the motion and vote for 9 days of release time (2-2 vote), add "defeated".

3. On the compromise motion to vote for 7 release time days (2-2 vote) add, "defeated".

The committee voted 4-0-1 abstention. Mr. Wilczynski did not vote because he had not attended the last meeting.

- Item Two: the School Committee will review the High School staff request for evaluation release time days.

Chairman Hanratty asked for Dr. Sylvia's recommendation. Mrs. Cooney asked the Chair to clarify the procedure for voting on Item two. She stated that the Committee had already disallowed a recommendation of the Superintendent for ten days, defeated a recommendation for nine days twice, and defeated her motion for seven days. "If I am correct, under Robert's Rules of Order, we cannot entertain a motion for the days requested over again," she said.

Chairman Hanratty stated that he was not familiar with Robert's Rules of Order. He suggested that the Chair consult with the Committee's Counsel for a ruling and an interpretation.

Mrs. Cooney indicated that, according to Robert's Rules, a motion previously voted on and defeated cannot be reconsidered unless a motion to reconsider was made on the night the vote was taken, or the next day.

Mr. Wilczynski stated that a member can ask for reconsideration at any time. "Someone who hasn't been here or one abstaining can ask for a vote. I think that it is irrelevant (Robert's Rules)."

Chairman Hanratty noted that the Committee had voted to adopt Robert's Rules of Order and that they must abide by the vote.

Mr. Wilczynski replied, "Don't ever get sick. A stalemate has been effected." He continued, "There's no reason why we can't vote. I disagree."

Mr. Hanratty stated that he was not prepared to make a ruling on a quick reading and interpretation of the Rules of Order.

Mr. Pease made a motion to reconsider the minutes just approved. The Committee voted 3-2 to reconsider the minutes adopted as corrected.

A brief discussion ensued with Mr. Pease stating that he could only recall a motion for nine days and contended that eight days was not part of a specific motion. He said he could recall Mr. Tuttle suggesting seven days total at a previous meeting.

Mrs. Cooney stated that she had made the motion for seven days. One day was approved, prior to her motion, which would make a total of eight days for release time meetings. She noted that the most the Committee could now vote for approval is a total of seven days. Mrs. Cooney went on to say that no members of the Accreditation Steering Committee were present on September 3rd and, at that time, everyone had agreed that ten days was an excessive number. "We asked that all members be present at our next meeting. We also asked Dr. Sylvia to come back to us with a revised list of fewer days, possibly four days. We have not received that as yet," she said.

Mr. Hanratty indicated that because the School Committee had thought ten days was too much, he had suggested that they bring the Steering Committee before them to justify their request.

Mrs. Cooney stated, "It was printed in a local newspaper that ten days had already been approved. Even teachers were given a listing of the days for release time meetings before we were aware of their request. In effect, the steering Committee assumed our duties as a School Committee."

Mr. Wilczynski stated that he had prepared a letter to the Committee in the event that he would be unable to attend tonight's meeting. He read his letter, which indicated his support for Dr. Sylvia's and the Steering Committee's reconsideration of nine days. "We should support self-evaluation. The Steering Committee is trying to bring about the best evaluation possible," he said.

Mr. Wilczynski then moved to approve nine release time days. "I cannot be sure this is illegal. I think it is legal and correct," he said.

Mrs. Cooney stated that either she or Mr. Tuttle would have to make a motion to reconsider.

Mr. Wilczynski noted that he was out for two meetings and had listened to the tapes twice. "I know what we should be doing. What if you are right. It is ridiculous to question past thoughts as to if we are in agreement with Roberts Rules or not."

Mrs. Cooney stated that she was against the nine release time days because it went against the Attendance Policy's spirit. She indicated that by adding more days they are in effect saying that the attendance policy is not important.

Mr. Hanratty asked to listen to the tapes of Mr. Pease's motion for nine days. After listening, Mr. Hanratty stated, "As I hear it, it was for nine days and the October 27 meeting was approved at a prior meeting. In regards to eight meetings, it was made in the corrected minutes by Mrs. Cooney. She is correct." Mr. Hanratty said he wanted clarification from the Committee's Attorney before taking a vote.

Dr. Sylvia stated that involvement in the self-evaluation process is totally different today than it was ten years ago. He noted that there were six hours in a school day and students would attend four hours. "We are only asking for two hours. The period will be rotated," said Dr. Sylvia.

AROUN' THE TOWN AND GOLDEN AGERS UPDATE

By Lillian C. Sheehan

CENTERVIEW

Folks at Centerview are looking forward to a Halloween Dinner and Social on Saturday, Ocober 25th. There will be two choices on the menu: Chicken or Fish. In addition, entertainment will be provided.

LINDEN

Tenants at Linden Apartments dined at the Grille in Northboro recently, and are looking forward to a trip to Landlord Ben's in Sterling on October 22nd, says Edith Army, Chairman.

COLONIAL

Happy Birthday wishes are in order for Mae Lundgren, Olive Ellstrom, Laura Nichols and Miriam Geyer at Colonial Apartments.

GET WELL WISHES

Get well wishes go out to Isabelle Reed, who is a patient at St. Vincent's Hospital. Welcome home and best wishes for speedy recovery to Phebe Kilmer, who was also a patient at St. Vincent's!

MILLBURY FEDERATED TO HOLD CONCERT

"New Song", from Hopkinton, will present an exciting concert at the Millbury Federated Church on Saturday evening, October 25th at 7:00 p.m.

This very talented group of young people has presented the 80 minute musical "The Vision" at 7 other churches in Massachusetts and New Hampshire, plus special performances at a prison and at Marian Catholic High School in Framingham before 750 teenagers. "New Song" includes 10 singers, 4 instrumentalists, and several technicians, with costumes, lighting, and a stage set. The 8 year old group presents the Gospel of Christ in a different musical each year, and has been heard by thousands of people. "The Vision" is a glimpse of the Lord's working in the lives of several young people, and includes over 10 musical numbers, as well as narration and a short Gospel message by Bob Parlante of radio station WHDH.

The Music Committee of Millbury Federated Church is pleased to present this group for their second appearance at the Church, and they urge members to attend and bring friends and family who will hear the Gospel and love of God in a very new and positive way. "The Vision" and "New Song" are particularly suited for teenagers and young adults. Don't miss them! The public is cordially invited.

MILLBURY GOLDEN AGE CLUB NOTES

Jake Army is presently taking names for the next trip to Plainfield which will be on Thursday, November 6, 1986, leaving from St. Brigid's parking lot at 10:30 a.m., unless otherwise changed. Sign up with Jake now!

Plans are being finalized by the Committee in charge of the Christmas party for the Millbury Golden Age Club which will be held at the VFW Hall, South Main St., on Tuesday, December 16, 1986. The caterer will be Metevier of Webster, MA. More about this later.

SUTTON SENIOR NEWS

MENU

FRIDAY, OCTOBER 24: Vegetable soup, Barbecued Chicken

TUESDAY, OCTOBER 28: Spaghetti and Meatballs

WEDNESDAY, OCTOBER 29: Pork and Carrots, Fried Rice

CHORE PERSONS

We are still looking for elderly people who need work done around their homes. We have high school students who are very willing to work. They will wash windows, clean yards, kitchen cabinets, cellars and attics, rake leaves, you name it. If you can use help please call 865-9798.

FUEL APPLICATIONS

Fuel applications are taken every Tuesday from 9:30 to 2:00. Call the COA office for an appointment or for any questions call 865-9798. You will need the following documents: 13 weeks of pay stubs, or a letter to that effect from your employer; a letter from Welfare, if you are on welfare or AFDC; a copy of your latest SS or SSI check and your last fuel bill (paid or unpaid); a letter from your bank if you have interest of over $100 for the year - if you have direct deposit you can also get this from your bank.

VOLUNTEERS

With many of our volunteers heading for Florida we are in desperate need of volunteer drivers for the home-bound meals delivery. Without you, many shut-ins will have to forego their meals. This is a very important part of our nutrition program. Volunteers are paid 25 cents a mile to deliver the meals. We can also use more help with serving the meals at the site.

FRIENDS OF THE SUTTON ELDERLY

Remember to purchase tickets for the raffle of the afghan, snow man and wreath, from any club member.

WHAT'S IT LIKE TO HAVE A CHIMNEY FIRE?
IT'S NO FUN! If it doesn't burn the house down, it will probably wreck your chimney and scare you half to death. Here's how it happens.
Begin with one dirty chimney – let's say a fireplace not cleaned for a couple of years. The soot lining the chimney is saturated with flammable creosote. (More detail on creosote is available in any dictionary.) It doesn't take much to ignite creosote – a newspaper fire sending flames up to the damper is enough.
Once kindled, creosote burns with joyous abandon. In a matter of seconds, the fire spreads up through the flue and creates a draft that only helps things along.
AT THIS POINT, YOUR AVERAGE CHIMNEY FIRE BEGINS TO ROAR AND HOWL, SOUNDING FOR ALL THE WORLD LIKE A ROCKET TAKING OFF IN YOUR LIVING ROOM!
If you run, you'll be treated to a real fireworks show. As the creosote burns, it actually peels and curls off the inside walls of the chimney. This blazing inferno then drips into the flue forming red-hot fire balls that are whisked up in the tremendous updraft.
Like a giant roman candle, it shoots molten balls of fire out the chimney and onto the roof. If you're lucky, the chimney will fall apart destroying one end of the building – if you're not, this miniature volcano can bring the whole house down.
However, if you stand your ground, a chimney fire can be controlled. Call the Fire Department. Put out the fire in the fireplace with an extinguisher or sand. Cover the opening with a wet blanket (quickest source of water is the toilet), and hope for the best. But it should be pointed out that:
HAVING YOUR CHIMNEY CLEANED IS A LOT EASIER ON THE NERVES THAN THE SAND & WET BLANKET METHOD!

foliage. Crossing over a split rail fence to begin the first step in their journey, the children, carefree as only children can be, raced to the top of a field and rolled themselves down through gently waving stalks of unmown hay. Those adults fortunate enough to be present remarked on the innocent beauty of children taking full advantage of nature's playthings.

Scampering back up the hill, the children were quick to take hold of Mrs. Dona's gently proferred hands. For the rest of the walk, these hands were never empty. Mrs. Dona expressed innocent surprise that the "little ones" were making such a fuss over her. "I'm getting so much attention," she beamed. But, as one little boy remarked, "We're fighting over your hands".

As the walkers passed by portions of matted down hay, Mrs. Dona explained that deer will often visit the area and rest awhile in the protected serenity of her fields. Should she be fortunate enough to observe them from the windows of her farm house, she will make the trip down the road and through the fields, food in hand, to see that they know that here, on land preserved for centuries, they have found a kindred spirit.

Climbing over one of the many beautifully preserved stone walls that bound the property, Mrs. Dona led the group over foot worn paths to an old burial site. There the children knelt and fingered the carved stones, and listened attentively as Mrs. Dona, softly touching each word, gently read the time worn inscriptions. It was interesting to note that some of the grave markers were adorned with flags, a silent tribute to the caring attention that Mrs. Dona has provided for these defenders of America's freedom. In sharp contrast to some of the intricately carved headstones stood an unmarked fieldstone, the burial site of one of the Indians who inhabited the land so many years ago; apparently the Indians had died as simply as they had lived.

As the group headed back, the children stopped to observe a large woodchuck hole hidden on the side of a hill. Several of the youngsters, unable to resist temptation, began fingering the loosely packed earth, and Mrs. Dona was heard to remark, in her very, very, gentle voice, "You wouldn't want someone disturbing your back door." With total understanding, the children briskly moved on to seek out more of nature's creatures.

Standing on the hillside, observing the farmhouse and barn in the distance, one was reminded of the many paintings that have tried to capture this characteristic New England setting. In fact, Mrs. Dona remarked that many artists have indeed come to her home seeking permission to set up their easels in the fields and transfer the unblemished beauty of her home to canvas.

All too soon the journey came to an end. Returning to the farm house, Mrs. Dona, hospitable to the very end of the walk, offered hot chocolate to all who had participated in her tour. The youngsters, discovering that their energy was not limitless, slowly returned to their seats around the picnic bench in the picturesque back yard.

Mrs. Dona's home and acreage is a treasure most worthy of preservation. And Mrs. Dona, as untouched by time as her surroundings, has dedicated her life to this preservation. The interior of her home speaks eloquently of her endeavors, but that is yet another story.

MEETING from Page 1

postponement was George D'Auteuil of Church Street. D'Auteuil stated that the he felt the Article was very complex and needed more study.

Article 7 was indefinitely postponed on a 67 to 46 vote.

Article 21, which sought to raise and appropriate a sum of money for compensation for the various Town inspectors for the work load caused by the Resource Recovery Plant, was indefinitely postponed. The Finance Committee, who sought postponement, stated that the Article was "vague" as to how money would be dispersed.

Article 29 sought to delete sections of Chapter 2, Article II of the General By-Laws. The changes sought dealt with the following: Time and date of the annual town meeting, posting notices, and votes to be cast from the main floor. Speaking in opposition to Article 29 was David Cofske of Beach St. Cofske stated that the wording of the Article would allow for election of officers prior to the Town Meeting. He expressed concern that newly elected officers would be required to speak on issues about which they would have little knowledge. Cofske also questioned the feasibility of restricting voters to the main floor of the auditorium.

Article 29 was defeated by a 49 to 35 vote.

Following the vote on Article 29, Martha Campolito challenged the vote on Articles 5 and 7, stating that she had observed unregistered voters in the audience. Town Moderator, Janice Dawson, refused to allow the challenge and was supported in her decision by Town Counsel who stated, "The Moderator has the right to rule."

Mrs. Dawson then recognized Harold Ostrowski of Hayward Lane, who supported Mrs. Dawson and stated that unregistered voters who had an interest in issues being presented at a town meeting had always been allowed to occupy the seats in question. Mrs. Dawson would not recognize several voters who then attempted to voice opposition to her decision.

In other business, voters approved the following expenditures:

- $44,578 to complete closing procedures for the old sanitary landfill on Riverlin Street
- $94,952 for negotiated salary increases for teachers and union and non-union employees
- $5,000 to widen the main entrance to Windle Field
- $5,000 for the Town's 25% share of the cost of harvesting weeds at Dorothy Pond
- $3,500 for testing, repair or replacement of underground storage tanks at the Highway Department
- $4,402.30 for reconstruction of Dolan Road and Ramshorn Dam

SUTTON STUDENTS TO TAKE FIELD TRIP

SUTTON. On Tuesday, November 18, 1986 the Sutton High School Senior Government classes will take a field trip to Boston to meet with Representative Richard T. Moore, and take a tour of the State House. The tour will include visits to the House of Representatives, the Senate, the Hall of Flags, the Speakers Chambers, and historical instruction by a state tour guide.

Before the visit to the State Capitol, the students will visit the Bunker Hill Pavilion where they will view a multi-media presentation called "The Whites of Their Eyes". Following this presentation, the students will board the U.S.S. Constitution for a brief tour.

The field trip will be supervised by David Muradian and Paul Henrickson both American Government teachers at the High School.

UN DAY TO FOCUS ON "PEACEFUL USES OF OUTER SPACE"

MILLBURY. Dr. Alfred J. Sylvia, Millbury, MA, recently appointed 1986 UN Day Chairperson by the Board of Selectmen, announced that this year's UN Day observance in Millbury will focus on "The Final Frontier: Peaceful Uses of Outer Space".

To mark the birth of the United Nations, the UN, in 1947, passed a U.S. sponsored resolution stating, "...that October 24 shall henceforth be called 'United Nations Day' and shall be devoted to making known to the people of the world the aims and achievements of the United Nations and to gaining their support for the work of the United Nations." 1986 marks the 41st year of the United Nations and was declared the International Year of Peace by the UN General Assembly.

In announcing UN Day plans for Millbury, Dr. Sylvia pointed out that international cooperation in the peaceful development and use of outer space offers much hope for peace on Earth. The UN has been and remains one of the primary forums for promoting and encouraging multilateral efforts in the development of outer space. He expressed the hope that the 1986 observance of UN Day would be instrumental in furthering public understanding of the UN, its accomplishments, its limitations and its potential.

Dr. Sylvia has asked all citizens interested in helping with the observance to contact him at 12 Martin St., Millbury, 865-9501, or at the local headquarters of UNA-USA.

EARLY SCHOOL DISMISSAL

MILLBURY. On Monday, October 27th, the High School will be dismissed at 12:00 noon, the Middle School at 12:30 p.m. and the Elmwood School at 1:00 p.m. The morning kindergarten classes will be dismissed at 11:30 a.m. and there will be no afternoon kindergarten classes. Lunches will be served as usual, except at the High School.

Schools are being dismissed early to allow teachers to work on curriculum improvement.

ASK YOUR GEMOLOGIST
By Anne DePaula

DEAR ANNE: I was told that all Sapphires aren't blue. What other colors do they come in? -- C.G.

DEAR C.G. Sapphire is a species of the Corundum family and occurs in all colors with the exception of pinkish-red, and medium to dark red varieties which are known as Ruby. Sapphire is best known for its rich dark blue color, but may also be found in a colorless, white, grey, blue-green, green, violet, purple, yellow, yellow-green, brown, amber, peachy-pink, pink (which doesn't have enough depthness of red to be classified as a Ruby), black, and orange (padparadscha sapphire, which is among the rarest and most highly prized stones today.

DEAR ANNE: What colors do the best quality Rubies come in? One jeweler told me that pink stones were worth more than red ones, while someone else told me different? -- D.J.

DEAR D.J. The best quality Rubies are those of a deep intense pure red color, referred to as Pigeon's Blood. A slightly darker intense red color (Beef-blood), and a slightly lightly intense red color (Cherry) are also prized. Some people also highly value a slightly purplish-red color. Only those stones of a medium-dark to a medium-light tone of red or purplish-red are properly called Ruby. Stones that are light to very light in tone and color (Pink) are properly called Pink Sapphires. While Sapphire is one of the most popular stones sold today, Ruby is one of the most expensive, and red rubies are worth quite a bit more than pink sapphires, or very pale ruby stones.

CROP WALK TO BE HELD SUNDAY, OCTOBER 26

The 1986 Millbury/Sutton Ecumenical CROP walk for the Hungry is scheduled to occur on Sunday, October 26. Registration will begin at 1:00 p.m. on the Millbury Common. The 10 kilometer Walk for the Hungry will commence at 2:00 p.m., following a course beginning at the Millbury Common and ending on the lawn of the First Baptist Church in West Sutton. Walkers and sponsors are now being recruited. Funds raised by means of this mission project will be used to supply food and clothing and to fund self-help projects to benefit needy people locally and around the world. If you do not plan to walk, please be sure that you sponsor a walker or two. Our local churches have many walkers looking for sponsors. You may pledge so much per kilometer or a set amount for the total walk.

ASSUMPTION SCHOOL NEWS
By Grace Laflash

Rita Comeau's eighth graders were caught up in a whirlwind of political activities as some of them campaigned for office. There were campaign managers, signs, candy was handed out in addition to stickers, pads of paper, etc.

The following class officers for 1986-1987 were elected: President, Brian Coco; Vice President, Stephen Roncone; Secretary, Patricia Welch; Treasurer, Katie Dennis.

FRIENDS OF MILLBURY PUBLIC LIBRARY MEET

MILLBURY. The annual meeting of the Friends of the Millbury Public Library was held in October. The following officers were elected: Co-Presidents, Karen Beaudoin, Patricia Cooney; Treasurer, Evelyn Phelps; Recording Secretary, Ruth Shimkus; Corresponding Secretary, Grace Laflash.

The group of Friends sponsored a worthwhile project instigated by the Children's Librarian, Elaine Loehmann. Special children's books will be placed around town in the offices of doctors, dentists, medical offices, and in the office of the optometrist. Each book has a story which pertains to a visit to one of these professionals.

MIDDLE SCHOOL BOOSTER CLUB TO ATTEND LOCAL FOOTBALL GAMES

SUTTON. The Sutton Middle School athletic booster club will attend the Holy Cross/University of Massachusetts football game at Fitton Field in Worcester on November 1st. In addition to this game, the students will attend various college and high school sporting events throughout the year as well as being a fan support group for the Sammies and the Suzies basketball teams.

SUTTON STUDENTS PARTICIPATING IN WRITING PROGRAM

SUTTON. Students participating in the fall Artists-in Residence Writing Process Program with fiction writer, Cheryl Savageau, at Sutton High School, will attend the first performance of the Oak and Stone Storytellers' Fall Concert Series on Sunday evening, October 26, 1986 at 7:30 p.m. in the First Unitarian Church, Worcester, MA.

This performance will feature "Ghost Stories" told by four Oak and Stone Storytellers: Cheryl Savageau, Jay Goldspinner, Katie Green, and Ellen Dolan Hayden. Following the performance, students will have an opportunity to meet the performers and discuss their craft.

The six-week Artists-in-Residence Program in Fiction at Sutton High School is supported by the Cultural Education Collaborative's Institute for the Arts, Boston, which is funded in part by the Massachusetts Council on the Arts and Humanities. The Massachusetts Council on the Arts nd Humanities is a state agency whose funds are recommended by the Governor and appropriated by the Legislature. The Cultural Education Collaborative is a statewide not-for-profit arts-in-education agency. A generous grant from the Sutton Arts Council was also received for the Sutton High School project.

EAST MILLBURY CHURCH INVITES EVERYONE TO "COME TO THE FAIR"

MILLBURY. The Women's Fellowship of the Raymond Memorial Church, 5 Raymond St., East Millbury, invites the public to "Come to the Fair" on Saturday, October 25th, from 10 to 4.

President Estelle Modig is Chairman for the Fair. Assisting her at the various tables will be: Jean Senecal, Rachel Wicklund and Ruth Weber, Kitchen Committee, who will sell and serve refreshments; Alice Mars, Jewelry and Knives table; Bertha Larson and Julia Fallstrom, Aprons and Holders; Vangie Jernstrom and Mabel Swift, Christmas Articles; Sigrid Ingman and Betty Butler, Handwork Table (crocheted and knitted articles); Betty Rice and Hildur Nyberg, Children's table; Estelle Modig and June Wentzell, Attic Treasures and White Elephants; Evelyn Holmes, Dollhouse and Afghan Table; Virginia Philbrook, Greeting Cards and Gifts Table. June Rixham will also have a table of handmade articles.

The committee is hoping for a large turnout and is looking forward to greeting old friends and making new ones.

SUTTON CONGREGATIONAL TO HOLD HOLLY BERRY FAIR AND SILENT AUCTION

SUTTON. The First Congregational Church of Sutton will hold its annual Holly Berry Fair and Silent Auction on Saturday, November 8th, from 10:00 a.m. to 4:00 p.m.

The Holly Berry Fair will include a Children's Room, Christmas crafts and ornaments, Country Store items, "Trash and Treasure", and lots and lots of home-baked goods and handmade articles. For the hungry shoppers, lunch and refreshments will be available. There will also be a raffle for a handmade doll and wardrobe.

Our Third Annual Silent Auction this year has almost $3,000 of merchandise donated by local merchants and church members. Breakfast for two at a local restaurant, a trimmed Christmas tree, a dog obedience course, the services of a chimney sweep, day and night ski lift tickets, dog grooming, and a 3500 watt generator are just a few of the 50 items to bid on, ranging in price from $7 to $1250! Written bids are made through the day and highest bidder is contacted by phone at the end of the day.

Please come and join us!

THE COOK'S IN THE LIBRARY

THE FESTIVE BREAD BOOK. Kathy Cutler. 641.8 - Recapture the smells and flavors of your favorite holidays with the help of this great book of bread recipes. THE FESTIVE BREAD BOOK gives clearly written recipes for 150 favorite breads from the "old country". Recipes are arranged by holiday. Some of the recipes for the approaching holidays include: soul cakes from England; Thanksgiving squash bread, St. Lucia Crown bread from Sweden; binbrot or pear bread from Sweden, a French favorite, brioche wreath, and Pagiallo from Italy.

THE GINGERBREAD BOOK. Edited by Allen A. Bragdon. 745.5 - Gingerbread has an almost magical appeal. It's main ingredient, the spice ginger, was first introduced to Europeans in the Middle Ages when it was used primarily for medicinal purposes. Sometime around the fifteenth century, ginger started to be used as an ingredient for baking to create gingerbread. Even as a favorite sweet treat, it retained its magical quality, because ginger bread tended not to spoil as quickly as other baked goods. THE GINGERBREAD BOOK explains how to make 150 gingerbread cookies and houses, including a valentine box with heart cookies to go with it, as well as several fairytale-like gingerbread houses. Patterns and instructions are provided along with 154 full color photographs.

"An I had but one penny in the world,
thou should'st have it to buy gingerbread"
William Shakespeare
Love's Labour Lost

FAVORITE HOMEMADE COOKIES AND CANDIES. 641.5 - Cream Cheese and Walnut Cookies, Spiced Raspberry Cookies, Orange Shortbread, Almond Chocolate Chip Cookies, Sour Cream Nutmeg Cookies, Mincemeat Drops, Mallow Brownies, Peppermint Clouds, Wine Currant Cookies, and if cookies aren't your thing, how about Chocolate Fudge, Pralines, Walnut Rum Caramels, Bourbon Balls, Chocolate Peppermint Creams, French Glazed Chestnuts...

FEARLESS COOKING FOR CROWDS: BEAUTIFUL FOOD FOR GROUPS OF EIGHT TO FIFTY. Michele Evans. 641.5 - In the introduction to FEARLESS COOKING FOR CROWDS, Michele Evans gives advice and reassurances that cooking and entertaining in your home can be a positive experience and culinary joy IF three essential ingredients are included: Organization, Organization, Organization. Evan's opens FEARLESS COOKING by detailing the important elements to first consider in planning a party. She discusses such things as a sit down vs. buffet and other styles of serving, reminds you about the need for extra refrigerator space as you cook, and tells you how to deal with the chore of cleaning up. Several recipes are included for all meal courses, as well as recipes for specialties such as hot breads, corn sticks and fried wonton crackers. Recipes are written for dinner parties for eight but can easily be doubled.

The author also includes several recipes with ingredients measured in quantities for larger crowds. In case the author has left you with some fears, the last chapter includes menu suggestions for dinner parties of eight, twelve, sixteen, twenty-four, thirty-six and fifty people.

YOU'RE INVITED

The Friend's of the Millbury Public Library will hold their annual Halloween Party on Wednesday, October 29 from 4:00 to 5:00 p.m. We will be making faces on pumpkins, listening to Halloween stories and poetry, parading our costumes for library patrons and topping it off with cider and cookies. We hope you'll join us (in costume of course)! Please register at the Library by Tuesday, October 28 or call 865-1181.

POLITICAL ACTION COMMITTEE ENDORSES REP. MOORE

Citizens for Limited Taxation's 2 1/2 Political Action Committee has endorsed Representative Richard T. Moore for re-election to the Massachusetts House.

Representative Moore is running in the Eighth Worcester District comprising the towns of Douglas, Hopedale, Mendon, Millville, Sutton, Uxbridge, and Webster.

Francis J. Faulkner, CLT's 2 1/2 PAC Executive Director commended Representative Moore for his several votes during the 1986 legislative session in support of CLT's State Tax Limit. This state tax cap would limit the growth in state tax revenues to no more than the percentage of growth in the wages and salaries of Massachusetts residents. Any overcollection of revenues would be returned to the taxpayers. The CLT State Tax Limit is Question 3 on the November ballot.

MILLBURY SAVINGS BANK HOLDS OPEN HOUSE TO CELEBRATE BRANCH OPENING

The Millbury Savings Bank will officially open its new branch bank on Route 146 – Millbury Savings West – on Saturday, October 25. The branch, a modular design encompassing 2,400 square feet, is located on the northbound land of Route 146, adjacent to the site where the bank has maintained a temporary trailer branch for the last five years.

Dudley F. Bowker, Bank President, said an Open House will be held from 2 to 5 p.m. on October 25. Tulip and daffodil bulbs will be given to all comers, and three prizes will be awarded: First prize, a five-day Bermuda trip for 2; Second prize, a two-day New York get away for 2; and third prize, Sunday brunch for 4 at the Worcester Marriott Hotel.

The branch will be open six days a week, Monday, Tuesday, Wednesday and Thursday 10-5; Friday 10-6 and Saturday 10-1.

In addition to inside teller services, the Branch will provide two drive-up lanes, a drive-up ATM (Automatic teller machine), a 24-hour depository service, and parking for 32 cars. A time-and temperature sign has been erected for Route 146 motorists.

Bowker said that the bank decided to open a branch on Route 146 when the McGowan Bridge on Elm Street was condemned and closed in April, 1981.

"A lot of people in West Millbury, Bramanville, and Sutton who come to Millbury often were cut off," he said. "A long detour was necessary."

The bank installed the trailer on the site. "People appreciated the service, and many began to use it," he said. "We quickly saw that the area was ready for a permanent branch."

The new branch will have a staff of four with Bonny M. Dattis serving as Manager. The Branch will offer 28 services, virtually all services of the Main Office. The Branch, like the Main Office, is part of both the TX (Transaxion) and CASH networks. Millbury Savings Bank cardholders can transact their business at hundreds of locations throughout the State and New Hampshire.

The building was built in four sections, and the sections were shipped to Millbury by flat-bed trailer and set by crane on the foundation. The cost of the project was approximately $1 million.

Other officers of the bank are Karl L. Briel, Chairman of the Board of Trustees; Kenneth J. Botty, Vice President; Francis A. Gatto, Vice President; Marjorie A. Matson, Treasurer; Richard S. Townsend, Assistant Treasurer; Barry F. Crosby, Assistant Treasurer; and Bonny M. Dattis, Branch Manager.

SCHOOL from Page 5

He then expressed concern that the Committee was not getting anywhere and that it appeared they were playing games. "You have to come to grips with something. We have sat here for 45 minutes," said Dr. Sylvia.

Mr. Hanratty moved to table the motion until the Attorney gives a ruling. The Committee voted 4-1 with Mr. Wilczynski voting no. "This is ridiculous. I am disappointed no vote was taken," he said.

Mr. Pease stated that he had spoken with Mr. O'Donnell of the Evaluation Committee, who stated that it was desireable for all professional staff to hear and provide input to all reports in self-evaluation. Mr. Pease continued, "We owe them our support. They are trying to follow, to the letter, the Guide Book. Mr. O'Donnell said the staff was doing a tremendous job."

Mr. Tuttle then noted that he was concerned that implications had been made that those in opposition were not in favor of education. He said that he had received calls from parents who were upset at the number of days talked about for release time.

Mr. Wilczynski stated that the Committee must have faith in the staff. "It is a difference of only two or four hours. I am disappointed that you won't accept my motion. I have a right to do that," he said.

Chairman Hanratty stated, "We must go by the rules. I would be giving a terrible example to the community, the students and parents if I didn't go by the rules. That's my justification."

- At 8:30 the Committee discussed Recognition of Service awards for all School Department employees at 15, 20 and 25 years of service. Dr. Sylvia stated that he would bring samples of recognition pins to the next meeting. The Committee voted 5-0 to grant Dr. Sylvia the go-ahead.

- The Committee briefly discussed Item 4 which concerned a second reading of the Drug Policy. They voted to adopt an Amendment presented by Mrs. Cooney at the previous meeting.

Mr. Tuttle suggested that the Police Department Representative and members of the Chemical People be invited, for their comments and input, to the next reading of the Amendment.

- Item 5 on the Agenda was presented by Dr. Sylvia as an information item. Dr. Sylvia stated that October 1st enrollment figures stood at 1628 students, 89 fewer than last year.

- The Committee was informed that Project Alert Coordinator, Carole Chiras, is writing a Planning Grant for State funding for $10,000. The proposal will include K-3 teachers working with students of high ability and interest.

- Dr. Sylvia informed the Committee that a new High School Student Withdrawal Form has been put in place.

- 31% of students at the High School are participating in Fall Athletics.

- Dr. Sylvia presented the Committee with new Physical Education requirements approved by Mr. Garabedian and Principal Carmody. Form letters will be sent to parents concerning students non-participation in classes.

- Mr. Tuttle then spoke to Item 6 on the Agenda. He stated that, as a new member, he needed information and the opportunity to ask questions concerning the different departments at the High School. He noted that it is his hope that this dialogue will enable him to understand the functions of the various departments and, at the same time, enable the teachers to better understand the role of the Committee. Mr. Tuttle pointed out that positive results were obtained when they met with the Social Studies, Reading, and Physical Education Departments. However, he went on to state that though he had expected the same type of positive exchange when they met with the Guidance Department, "Unfortunately, some hostility developed. I hope we do not get into the same situation as the last meeting," he said.

Mr. Wilczynski noted that he thought the questions posed were good and that the responses were sincere and excellent from the Guidance Department. He indicated that he sensed a tone at the meeting that was not encouraging. "There seemed to be overreaction on both sides," he said. "The staff has to be aware that there will be questions of critical concerns. There is no question of questioning integrity. We have to police ourselves. The Chair will have to step down when emotions run high."

It was suggested that in the future questions be prepared in advance and areas of concern be presented to the staff prior to meetings.

In other action, the Committee:

1. Approved a maternity leave for Christine Cross on a 4-0 vote with Mr. Pease absent.

2. Appointed Neil Lucey as Class Advisor on a 4-0 vote.

3. Approved sending a letter to Mr. Kelton Johnson concerning time and place for administrators for negotiations and collective bargaining.

4. Briefly discussed Professional Development approvals.

5. At the request of Mr. Wilczynski, Dr. Sylvia stated that he would have teacher's schedules available to the Committee at the next meeting.

6. At the request of Chairman Hanratty, the Committee approved five resolutions to be voted on by delegates to the Massachusetts Association of School Committees at their Conference in Hyannis.

"...The stub, Harold! They won't let me back to my seat without the ticket stub!! Show them the stub, Harold! Harold!!"

script and then later to tape it at a local radio station. It must be at least three minutes but no more than five minutes in length.

There are three prizes presented locally by the Charles F. Minney Post. The first place winner will continue in competition at the district level and if successful can continue to the State and then National levels. All State winners get to go to Washington, D.C. The Voice of Democracy awards over $32,900 with a $14,000 first place National Award.

Mr. Raymond Gemme, High School Guidance Counselor who has coordinated this contest for several years, has indicated that this is the largest group of students at Millbury High School to ever participate. Thirty-four students will be taping their essays at Holy Cross College on Monday, October 27 and Tuesday, October 28.

RELEASE TIME DAY
MONDAY, OCTOBER 27

The teachers have been working after school since early September on evaluating all of the learning areas that are taught at the High School. On Monday, October 27, four committees will present their reports. These departments are Art, Physical Ed., Business, and Music. Once the reports are presented, the entire faculty will discuss, make changes, and vote to accept. Before the self-evaluation is completed we will need to discuss another fifteen reports.

STANFORD DIAGNOSTICS TEST RESULTS

During the early part of September, students in the eighth, ninth, and tenth grades took the Stanford Diagnostics Test. This was administered in the English classes. The purpose of the test is to determine strengths and weaknesses of the students in the reading areas. Information from such testing can help in providing remediation or placement. The results were released to the students earlier this month. If there is difficulty in reading or interpreting the results, parents should feel free to contact their child's English teacher.

RING ORDER

If any Sophomore has not ordered a class ring and wishes to do so, he or she should contact the principal's office. Arrangements will be made for these students on an individual basis.

PLANNING AHEAD

On Friday, October 31, the first quarter of the year will end. How time flies! Grades will close on that day and report cards should be available on the following Friday, November 7.

For those students who have applied for the SAT testing, this is a reminder that Saturday, November 1 is the date. Any student who did not apply for that testing date should be aware that applications for the December 6 SAT testing must be sent out by October 31. Also, some colleges require achievement tests. If you plan on attending a college with this requirement make sure you know which tests are needed for the December 6 test date.

ST. ANNE'S GUILD TO HOLD FASHION SHOW

Photo Courtesy of Armand White

Laurie White (left) and Anne Marie Bourdeau (right) model some of the gowns to be worn at the November 2nd "Through the Years" fashion show. Aline Bourdeau (center) is chairman of this event.

The St. Anne's Guild of Our Lady of the Assumption Parish in Millbury is sponsoring a fashion show entitled, "Through the Years". This gala event, featuring fashions dating from 1898 to 1986, will take place November 2nd, 1986 at Holy Cross College beginning with a cocktail hour from 4:00 to 5:00 p.m. Entertainment for the cocktail hour will be provided by Theresa St. Onge who will set the tone for the festive evening by playing a medley of well-known tunes designed to have everyone join in the fun.

Following the cocktail hour, a full course dinner, featuring chicken cordon blue, will be served. Dinner music will be provided by Christine Caputi.

Among the local residents who will be modeling the fashions from times past and present are the following: Michelle Lucey, modeling a 1910 graduation dress; Anne Marie (Bourdeau) Matthews, modeling an 1898 wedding gown; Laurie White, modeling her great grandmother's wedding dress; Barbara Boliver, modeling a 1922 silk chiffon dress worn by Cecile (Ballard) Lapierre; and Marybeth (Lucey) Noonan, modeling Lea Gonya's 1939 wedding dress. Flowers for this event will be donated by Eve Pixton of "Flowers by Eve". In conjunction with the fashion show, door prizes will be awarded and a raffle consisting of handcrafted items will be held that evening. A doll house, designed and built by Lenny Lawson of Millbury will be raffled off during the Christmas season.

Tickets, which are at a premium, are available at a cost of $15.00 per person. For further information on the fashion show, or to purchase tickets, contact Aline Bourdeau at 865-6644. All proceeds from this event will benefit the Guild.

PLEASE NOTE

All submissions, including press releases, community, church and school announcements, must be received by our office no later than 12:00 noon on Saturday of the week prior to publication. All announcements must be provided in writing - no phone calls please.

Due to the limited amount of space available in our paper, we regret that we cannot guarantee publication of any item. We do make every effort to publicize local events on a first-come basis.

Press releases from surrounding towns will be included only if space is available after publishing local events.

We do not, under any circumstances, publish press releases for businesses who do not advertise in our publication. To do so would be unfair to those advertisers who have so generously supported our endeavors.
